

## Bursary Placement Opportunity

Former West Derby Carnegie Library, Green Lane, Old Swan, Liverpool 13

Following the award of a National Lottery Heritage Fund, Tuebrook Library, Liverpool is being restored and regenerated.

Works are being undertaken on site by H.H. Smith, a quality builder, experienced in heritage restoration projects.

As part of the delivery, H.H. Smith are providing **2 bursary placements** for individuals who would gain benefit and skills from practical 'on site' experience to develop their knowledge of building skills particularly on a heritage project.

The placements are as follows:

### 1. External Restoration Works

Inclusive of masonry repairs, roofing and restoration works following traditional techniques.

Due to commence: 22<sup>nd</sup> July 2019 for 20 weeks

*Payment in line with the National Minimum Wage*

### 2. Internal Restoration works

Inclusive of plastering works and ornate ceiling repairs following traditional techniques.

Due to commence: 6<sup>th</sup> August 2019 for 20 weeks

*Payment in line with the National Minimum Wage*

This is a unique experience and opportunity to learn from master craftsmen repairing and restoring a heritage building using traditional building methods and techniques.

You will shadow and support skilled workers and gain a certificate on completion and suitable references.

This opportunity will give an insight into construction and open career ideas.

If interested, please send a brief C.V. and a covering letter indicating which of the positions would be of interest to you. Also, please explain why you would benefit if offered one of these bursary's placements.
