

## **The Old Library project - Roofing Technical Day**

We look forward to welcoming you to our on site Technical Day on the **24<sup>th</sup> July 2019, between 10am to 4pm at the Former West Derby Carnegie Library, Green Lane, Old Swan, Liverpool L 13.**

Works are currently underway to restore and regenerate this historic building into a multi-use community events space for the benefit of all local residents & the wider community.

The day will feature **Roofing Works**, with workshops provided by:

**Trace Remedials who will feature repairs, causes and remedies**

**&**

**Allied Roofing who will feature slate roofing works, from strip to laying**

It will be a structured event, with strict adherence to health and safety requirements.

PPE will be provided, but stout footwear must be worn.

This is an opportunity to observe traditional building techniques through a number of activities and tasks focusing on design, materials used, substitute materials and application to gain skills and insight into this technical operation.

The day will also be an opportunity to meet others interested in the built environment and those already in the industry.

If you would like to book your place, please book on EVENTBRITE:
