

Tiling Technical Day

We look forward to welcoming you to an on site Technical Day on the **18th October 2019**, **between 10am to 4pm at the Former West Derby Carnegie Library, Green Lane, Old Swan, Liverpool 13.**

Works are currently underway to restore and regenerate this historic building into a useful community space for the benefit of all local residents.

The day will feature **Tiling works, with workshops provided by:**

Darwen Terracotta Ltd

who will feature the surveying and recreation of original tiles from this prestigious project demonstrating the expertise necessary to produce and install tiles to recreate and enhance original construction methods and materials

It will be a structured event, with strict adherence to health and safety requirements.

PPE will be provided, but stout footwear must be worn.

This is an opportunity to observe traditional building techniques through a number of activities and tasks focusing on surveys, design, materials used, firing, finishes and application to gain skills and insight into this technical operation.

The day will also be an opportunity to meet others interested in the built environment and those already in the industry.

If you would like to book your place, please book on EVENTBRITE

<https://www.eventbrite.com/e/tiling-technical-day-at-former-west-derby-carnegie-library-tickets-74088291073>

A waiting list will operate to ensure full participation

If you would like more details please contact Diane@hsmith.co.uk directly.
